ANNOUNCEMENT

As the Editor, I am anxious to obtain names of individuals capable and willing to review manuscripts in their special field. I am concerned that I may be missing potentially good reviewers who could be of great help to our Journal. I would appreciate receiving a curriculum vitae from all interested parties.

Howard P. Baden, Editor

The joint meeting of The Society for Investigative Dermatology, Inc. and the European Society for Dermatological Research will be held at the Capitol Hilton Hotel in Washington, D.C., April 27-May 1, 1983.

All abstracts must be submitted to Dr. Kirk D. Wuepper, Secretary/Treasurer, The Society for Investigative Dermatology, Inc., 14435 S.W. Uplands Drive, Lake Oswego, Oregon 98034. Abstracts must be received on or before December 6, 1982, and postmarked on or before December 1, 1982. Forms may be obtained from Dr. Herbert Hönigsmann, Secretary, ESDR, Department of Dermatology I, University of Vienna, Alser Strasse 4, A-1090 Vienna, Austria, or Dr. Kirk D. Wuepper.

Erratum

The following correction should be made in 75:316-321, 1980:

Fig. 2. Light micrographs of the in vitro morphology of various cell types isolated from the human foreskin, human umbilical vein, and rabbit skin. *a*, Human umbilical vein endothelial cells. *b*, Human fibroblasts. *c*, Rabbit fibroblasts. *d*, Rabbit epidermal keratinocytes.

The 10th Pediatric Dermatology Seminar will convene at the new Carillon Beach Hotel, Miami Beach, Florida, February 24-27, 1983. There will be a 17-day post-seminar tour to China. For information, contact: Guinter Kahn, M.D., 16800 N.W. 2nd Avenue, #401, Miami, Florida 33169.

The French-American Dermatology Congress will be held April 20-25, 1983, in Monte Carlo, Monaco. Clinical topics will include: acne, melanoma, cosmetics, hair, dermatology surgery, lasers, and dermatopathology. Free communications will be accepted. Post meeting seminars will be held in the Dermatology Departments in Paris or Rome on April 26-30, 1983.

For information write to: Henry H. Roenigk, Jr., M.D., Department of Dermatology, Northwestern University Medical School, 303 E. Chicago Avenue, Chicago, Illinois 60611.

"Injectable Collagen—Applications and Technique," sponsored by Stanford University, will be held February 26-March 1, 1983 at Hotel Camino Real, Cancun, Mexico. Contact: Paul H. Jacobs, M.D., Department of Dermatology, Stanford University School of Medicine, Stanford, California 94305 (415/497-6101).
